

The Auxiliary has distinguished itself as an integral part of the Hospital. Its multi-million dollar fundraising efforts have been responsible for contributions to major undertakings at the Hospital. The Auxiliary is rich with a history of providing ideas, financial support and volunteerism to complement the ever-spiraling growth and technological needs of healthcare.

Membership in the Auxiliary is available at several levels with no monthly meetings to attend. It is open to men and women regardless of age.

## Membership Benefits:

**Fellowship:** Through social events, The Wishing Well Gift Shop and fundraising events you will enjoy the camaraderie of the auxiliary members.

**Networking:** Either through volunteering or attending the annual meeting you will have an opportunity to meet new people and/or socialize with friends.

**Education:** Through a diverse presentation of in-house seminars by the hospital, you will be made aware of event and speaker information.

**Publications:** *Health & You* and *Development Matters* publications are filled with articles dealing with how to stay healthy, new treatments and technology and services as well as hospital project maintenance and expansion news.

*“Your support of our cardiac catheterization laboratory and interventional facility has resulted in a tremendous improvement in patient care. We are now one of the leading institutions in this state offering emergency interventional treatment for acute myocardial infarction as well as superior diagnostic cardiac catheterization capability and vascular intervention procedures.”*

— Milton J. Sands, Director, Cardiology

*Cancer Resource Library*

*“The Auxiliary’s long-term commitment to providing free information and emotional support during cancer treatment is a testament to the kindness and generosity of its members. Thanks to the Auxiliary, the cancer library is a safe haven for both cancer patients and caregivers, providing them with a connection to hospital and community services, and with an opportunity to share the cancer experience.”*

*— Marcia R. Anderson, MA, Cancer Resource Specialist*

*“Since the hospital’s inception, the Auxiliary has been an invaluable support to us and our community. Its members directly serve our patients’ needs and over the decades have funded more than two million dollars of needed capital equipment used throughout our inpatient and outpatient services. To all the members of this fine, dedicated group of volunteers both past and present, we cannot thank you enough.”*
