

THE BEST *care* FOR BREAST *care*

INCLUDES THE MOST ADVANCED TREATMENTS
FOR BREAST CANCER

There's no need to travel to receive the most advanced breast care treatments available. You'll find them all right here at The Hospital of Central Connecticut.

From digital mammography and other sophisticated imaging techniques, to the most sophisticated radiation, chemotherapy and surgical treatments,

we have what women with breast cancer need in our comprehensive breast program. For more information on our breast cancer program, please call Donna Boehm at 860-224-5900, X6307 or visit our website at www.thocc.org.
