A Twist of Lemmon

Chris Lemmon speaks
at Chairman's Dinner

Chris Lemmon Brings Laughter, Memories to Chairman's Dinner

The Chairman's Dinner is The Hospital of Central Connecticut's annual event to acknowledge and thank donors who have contributed \$1,000 or more during the past year (Oct. 1–Sep. 30). These individuals are known as members of the hospital's Chairman's Council.

This year's dinner, held Oct. 26, was attended by more than 80 people, including guest speaker Chris Lemmon; author, director, actor and son of the late legendary actor Jack Lemmon. Chris spoke and answered questions about his recently published book, *A Twist of Lemmon*, a tribute to his late father. Guests at the dinner, hosted by (outgoing) Chairman of the Board, Marie Gustin, Ph.D., received signed copies of his book.

"We were so pleased to have Chris and Gina Lemmon as our special guests that evening," says David J. Obedzinski, chief development officer for The Hospital of Central Connecticut. "His remarks and reflections were wonderful and our friends seemed to really enjoy the affair. We are also very happy that so many of our Chairman's Council members were able to join us that evening so that we could thank them in person for their contributions to our hospital."

Lemmon's remarks were preceded by updates from David Obedzinski on the fundraising achievements over the past year, and hospital President Laurence A. Tanner, who brought the crowd up to date on all of the latest news on new programs and the merger at the hospital.

*Chris Lemmon presents outgoing Chairman of the Board Marie Gustin, Ph.D., with an autographed copy of his book, a *Twist of Lemmon*.*

The evening also included a \$5,000 check presentation from Bob Mayer, organizer of the Scalise-Mayer Golf Tournament, to benefit the Dialysis Unit at The Hospital of Central Connecticut.

President's Luncheon Features Hospital's Neurosurgery Program

On Sept. 18 the hospital held its annual President's Luncheon, an event that acknowledges donors who have contributed \$500 or more during the previous year.

This year's guest presenter was Ahmed Khan, M.D., who spoke about recent advances in neurosurgery at our hospital. Nearly 70 people attended the luncheon, which was held at The Hospital of Central Connecticut's New Britain General campus.

Your Annual Gifts Only Make Us Stronger

Did you know exciting things happen at your community hospital every day? Lives are saved; babies are born; diseases are cured. Compassionate and exceptional care by outstanding doctors, nurses, technicians and healthcare professionals is found at The Hospital of Central Connecticut.

In order to deliver these services to our community, we must rely on the generosity of donors like you. That happens when you contribute to the Annual Fund.

The Annual Fund is the cornerstone of our fundraising effort to receive community support that enables us to provide the best care possible. You may have recently received the George Bray Cancer Center (GBCC) brochure, describing the programs and services of the GBCC. Maybe you read the heartfelt letter from Tammy Wypy, a cancer survivor who received care at the GBCC.

Your support helps us bring the latest medical technology, the best doctors and nurses, and the most skilled and compassionate staff to both of our campuses.

This spring we will launch our first unrestricted appeal that includes both the New Britain General and the Bradley Memorial campuses of The Hospital of Central Connecticut. We will ask you to contribute to the areas of greatest need. Your support will ensure that we continue to deliver the care and service you have come to expect and deserve.

Your support is appreciated no matter what time of the year you contribute. For more information about the Annual Fund contact Michael Gorzoch in the Development Office at 860-224-5900, x4702 or visit us on the web at www.thocc.org/giving.

"I can't say enough about the care my mother received while a patient at your hospital. The doctors, nurses and staff were fantastic and the technology available is unbelievable."

—A recent quote from a family member of a grateful patient.

2007 Bradley Memorial Golf Tournament

Save the date – the 17th Annual Golf Tournament for the Bradley Memorial campus of The Hospital of Central Connecticut will take place on Wednesday, May 23, 2007 at Hawk's Landing Country Club in Southington. For the first time, the tournament will be a 10:00 a.m. shotgun start. If you would like to be a sponsor, participate as a golfer, or volunteer on the committee or at the tournament, please call Michelle Gonzalez in the Development office at 860-224-5441.

Schaller Honda Helps

Schaller Honda helps The Hospital of Central Connecticut hospital with CPR training programs. David Obedzinski, the hospital's Chief Development Officer; Art Schaller Jr.; and hospital clinical nurse educators Donna Criniti and Kathy Helmecki display the CPR Resusci training units donated to the hospital in November by the National Automobile Dealers Charitable Foundation after a recommendation by Schaller.

The Auxiliary's fashion show raised over \$5,000 for programs at the Bradley Memorial campus.

AUXILIARY IN ACTION

Dear Friends,

The Executive Committee of the New Britain General Auxiliary Board of Directors has initiated a mentoring program for its new members. This program will help new members of the Board get acquainted with the Standing Committees, our fundraisers and other projects we do throughout the year. New members will be coached by a member of the Executive Committee starting with the first board meeting; each new member will then go through an orientation with the President and the Vice President.

Standing Committees of the Auxiliary include Membership, Baby Pictures, Gift Shop, Publicity, Scholarship, Cheer, Outreach, Volunteers and Education. The fundraising projects include the annual Chrysanthemum Ball held in November, the golf tournament held in June, and our

Later in 2007 will bring together the Auxiliary at New Britain General and the Auxiliary at Bradley Memorial under one Auxiliary of The Hospital of Central Connecticut. Both Auxiliaries will continue to work at their own campus. They will have one set of by-laws, a combined Executive Board, and have one joint Annual Meeting in November of each year. Both will continue to have separate fundraisers and separate meetings but will support each other's efforts. We look forward to a stronger and unified Auxiliary for The Hospital of Central Connecticut.

Hospital Board Elects Emeritus Member

Thomas E. Sherer was voted an emeritus director at the final meeting of the board of directors of

Sherer was elected to what was then the New Britain General Hospital's board of directors in 1975.

On the board, he has served on various committees, including long-range planning. He was vice chairman from 1984 to 1987; and then elected chairman in 1987, until he stepped down in 1992. In 1997, Sherer was awarded the Robert U. Massey, MD, Award by the Capital Area Health Consortium for distinguished service, given annually to an individual who has contributed to regional healthcare cooperation.

Shearer retired as president of Fafnir Bearings in 1983. He was until recently chairman of the hospital's development committee, chairman of CennConn Services, and a trustee of the Jerome Home.

Chamber Recognizes Hospital

The Hospital of Central Connecticut recently received the New Britain Chamber of Commerce's Beehive Business Award.

The award is presented annually to a business that is "uniquely successful in New Britain." Chamber President William F. Millerick cited the more than 300 jobs the hospital's New Britain General campus added in the past two years; the nearly \$200 million in new construction the hospital has completed in the past decade; and the 2006 merger between New Britain General and Bradley Memorial into The Hospital of Central Connecticut.

"Through all of this growth and expansion, the hospital has remained at the very forefront, not only of providing state-of-the-art health care, but of upgrading technology and teaching," Millerick said in announcing the award.

Eye Bank Gives Hospital \$30,000

The Connecticut Eye Bank & Visual Research Foundation Inc. recently announced a gift of \$30,000 to the Hospital.

"It is a way to give back," said Richard Campbell, chairman of the board of the Connecticut Eye Bank, explaining that the hospital has provided a home at the New Britain General campus for the Eye Bank. "We had a good year and wanted to give to the hospital, which benefits the community."

"The Connecticut Eye Bank has been at the New Britain General campus for over 35 years," Hospital President Laurence A. Tanner said in accepting the check. "We're proud of our long association with an organization that has given the very precious gift of sight to thousands throughout Connecticut and the world."

"The Eye Bank has been an important partner with our hospital," said David Obedzinski, hospital executive director of institutional advancement. "This unrestricted gift of \$30,000 will make an immediate impact as we respond to the healthcare needs of the people in Central Connecticut. These funds will support our current Emergency Department expansion and renovation project at our New Britain General campus."

The Connecticut Eye Bank is a non-profit organization, sponsored by the Independent Order of Oddfellows and Rebekahs, which works to procure human eye tissue for corneal transplantation; increase public awareness about eye banking and donation; and educate the public and healthcare professionals throughout Connecticut. The Eye Bank also participates in research programs to improve methods for sight restoration. The organization often distributes corneas to patients in Connecticut and other states and in Asia, Indonesia and the Middle East.

A gift of foresight: Board members of the Connecticut Eye Bank present a \$30,000 check to Hospital President Laurence A. Tanner. From left, Millis Buckley, secretary; Lucille Kutz, treasurer; Tanner; Richard Campbell, chairman of the board; Warren Smith, vice chairman; and Allen Brown, executive director.

Dr. Petit Elected Hartford County Medical Association President

William A. Petit, Jr., MD, FACP, FACE, was elected president of the Hartford County Medical Association at the association's annual meeting Nov. 6.

Dr. Petit is medical director of the Joslin Diabetes Center Affiliate at The Hospital of Central Connecticut and director of the Section of Endocrinology, Metabolism and Diabetes. He is board-certified in endocrinology, diabetes and metabolism.

Dr. Petit received his medical degree from the University of Pittsburgh School of Medicine and completed his internship and residency at Strong Memorial Hospital, Rochester, N.Y. His post-doctoral fellowship was in endocrinology and metabolism at Yale University School of Medicine.

Dr. Petit is involved with numerous clinical research studies. He is a past president of the American Diabetes Association, Connecticut Affiliate, and was elected to the ADA Hall of Merit in 1994. He is also an associate professor of clinical medicine at the University of Connecticut Medical School. Dr. Petit has published two books: "The Encyclopedia of Diabetes" and "The Encyclopedia of Endocrine Diseases and Disorders", co-authored by Christine Adamec.

He will serve a one-year term as president of the Association, a professional organization of more than 2,200 physician members dedicated to promoting quality medical care and patient advocacy.

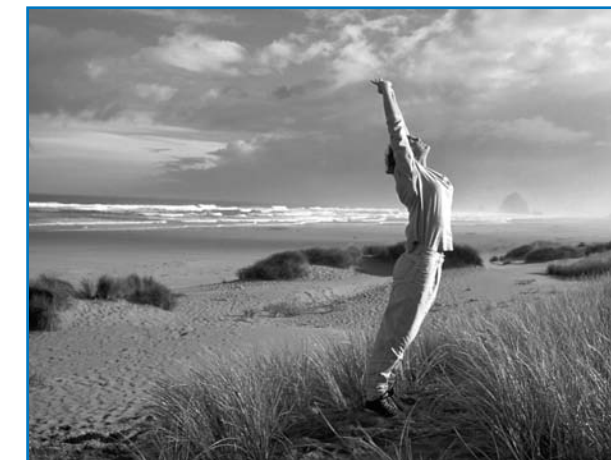

Students Donate Gifts to Cancer Patients

New Britain High School students recently donated hand-decorated bags filled with comforting gifts to cancer patients at The Hospital of Central Connecticut.

Students in grades nine through 12 filled the bags with scarves, hats, lotion, candles, candy, crossword puzzle books and other gifts, including shawls hand-knit by high school teachers. Staff members donated \$2,000 for the "care packages"; students went shopping for the gifts. World of Nutrition in Newington donated relaxing music CDs for the bags.

Members of Suzanne Constantine's Career in Daycare class and other students participated in the project. Students hand-decorated the bags, writing "we care at NBHS," "with love from NBHS," and other words of encouragement.

Marcia Anderson, cancer resource specialist with the George Bray Cancer Center, accepted the gifts on behalf of the hospital.

National Cancer Survivors Day

The George Bray Cancer Center's 15th Annual National Cancer Survivors Day breakfast event will be held on June 3, 2007, at The Aqua Turf Club in Southington, at 9:30 a.m. If you are not currently on our Survivor's Day mailing list and would like to be included, please contact Marcia Anderson at (860) 224-5299.

We are grateful to every donor who contributed to The Hospital of Central Connecticut's Annual Fund [between October 1, 2005 and September 30, 2006](#). **Thank you!** Your generous support enables us to continue to offer high quality healthcare to our communities. If your name was inadvertently misspelled or omitted, please accept our apologies and notify us at (860) 224-5567.

What Is Planned Giving?

David J. Obedzinski, Chief Development Officer

David J. Obedzinski

Quite simply, planned giving = gift planning, according to National Society of Fundraising Executives fundraising dictionary. Actually it's a little more complicated than that because in our universe of non-profit organizations, planned giving is a category of structured opportunities individuals and families can use to make special contributions to their favorite charities. Often these gifts can be extraordinary in size, and the tax savings to the estate's heirs in a well structured planned gift can be significant. In some cases you can make a gift during your lifetime, but in most cases these gifts are planned ahead of time to benefit a charitable organization's mission following your death.

The Hospital of Central Connecticut is a non-profit organization that relies on the support of friends and neighbors, grateful patients and their families, local businesses and foundations to continue our mission of providing quality healthcare to our communities. Planned gifts we receive, whether a bequest in someone's will; proceeds from a trust that's been established; being the beneficiary of a life insurance policy or retirement account; or a gift annuity that provided the donor a lifetime income and an eventual gift to the hospital, are often significant gifts that allow our hospital to grow stronger.

We're increasing the awareness of planned giving opportunities that benefit our hospital and we hope you notice. Our newest addition is our *Visionary Planned Giving Newsletter*, which will be mailed three times a year to our friends who request it and those on our mailing list age 70 or older. Our *Perspectives Newsletter* is currently mailed to local financial planners and estate attorneys.

This spring we will re-establish our Planned Giving workshop program. Our first program will be held in partnership with the New Britain Public Library. We're interested in the planned giving topics you want to learn more about. Do you want to know more about charitable estate planning and how you can minimize estate taxes for your heirs and to protect your charitable intentions? Would you like to learn more about making a charity a beneficiary of your life insurance policy or retirement assets? Do you want to know more about the new Pension Protection Act and its implications on gifts to charity?

Contact me at (860) 224-5567 or dobedzin@thocc.org to share your interests or request a newsletter. Thank you for your continued support of The Hospital of Central Connecticut.

Polam Credit Union Helps With Important Screening

On a Saturday morning late in October, the Polam Federal Credit Union offered the hospital's Connecticut Breast and Cervical Cancer Early Detection Program an opportunity to educate local residents about the importance of early cancer screening. Inside their branch on Broad Street in New Britain, despite cold, wet and blustery conditions, 60 women enrolled in the program, which offers both gynecological exams and/or mammograms at the hospital.

"It was a very successful event because not only did we enroll 60 new women into our program, but the women we spoke to also told their friends about our screening services and, based on that word of mouth, we actually enrolled 73 women." That according to Diane Walczok, CBCCEDP Case Manager. "We'd like to thank Danuta Sieminski, vice president of Polam Federal Credit Union, for her assistance with the coordination of this event."

Because the event was so successful, the hospital and the credit union plan on holding another registration event at the credit union on **Saturday, Feb. 24 from 10 a.m. until noon.** The Polam Federal Credit Union is located at 46 Broad Street in New Britain. For more information about the Connecticut Breast and Cervical Cancer Early Detection Program at The Hospital of Central Connecticut, call (860) 224-5505.

Our **Tribute Gift Program** is very important and we appreciate all gifts made in honor or in memory of a loved one. Tribute gifts can also be made in honor of an event or occasion, such as an anniversary or birthday, and all gifts directly support programs at our hospitals. When you provide us with the names of appropriate contacts we will notify those individuals about the tribute gifts given. The gift envelope in the center of this publication can also be used to make a tribute gift.

The following donors made tribute gifts to more than 20 different funds and programs at The Hospital of Central Connecticut between Sept. 1, 2006 and Nov. 30, 2006. If your name is inadvertently misspelled or omitted, please accept our apologies and notify us by calling 860-224-5567. *Thank you.*

Did You Know? National Doctor's Day is March 30th and National Nurse's Day is May 6th?

Celebrate your favorite physician, nurse or nursing unit at the Hospital of Central Connecticut with a Tribute Gift in their honor. It's a great way to thank them for the great care they provide to our community every day.

Use the gift envelope in the center of this publication to make your gift today or call the Development office at 860-224-5567 for more information. Thank you!

Our Condolences

Our heartfelt condolences go out to the family of Lisa Rivera who passed away Dec. 25 in New Britain. It was in honor of her struggle with cancer that Frank Bedrosian organized a local Pig Roast in September that raised \$3,680 for the George Bray Cancer Center. We feel fortunate to have known Lisa.

Family Fun Day

The Nurturing Families Network and the MOMS program at The Hospital of Central Connecticut will be hosting a Family Fun Day in early July to promote positive family interactions, explore fun activities, and provide a family-like atmosphere for members of these programs. The day will include games such as bean-bag toss, sack races, jump rope contests, kickball, and volleyball; there will also be face painting and picnic snacks available for the families to enjoy.

The Nurturing Families Network and MOMS Program are in need of several items to assist in making this event successful. Any of the following new or gently used items would be greatly appreciated:

Folding tables (light weight) *Picnic blankets*
Jump ropes (assorted sizes) *Fold-out chairs*
Assorted balls (soft varies sizes) *Volleyball net set*
Small light weight sand box *Bubbles and accessories*

Contribution and donations can be sent to R3 (Program Office). Call Jennifer Hernandez at 860-224-5900 x6623 with any questions.

Audrey Zack, daughter Mary Elizabeth Zack and David Obedzinski gather in the New Britain General campus Cancer Auxiliary Library, to see the new plaque dedicated in Audrey’s honor with a gift from a former student of hers.

Students at Saint Paul’s School in Kensington made a gift of 475 new children’s books to the “Pedi Play & Read” program at the Pediatric department of The Hospital of Central Connecticut’s New Britain General campus. Matteo Lopreiato, MD, a member of the medical staff at the hospital, coordinated the donation and Antionette M. Capriglione, MD, accepted the gift from the students on behalf of the department.

One number. Hundreds of great doctors.

Finding a great doctor is as easy as dialing the phone when you call The Hospital of Central Connecticut's Need a Physician line. We'll help you find the right physician, whether you're seeking a specialist, or someone to provide primary care for you and your family.
