

We're easy

When you need an Open MRI, we make it easy. **Appointments within 24 hours, including evenings and Saturdays, and convenient, free parking.** We're closer than you think, at the Bradley Memorial campus of The Hospital of Central Connecticut. Patients like our open feel, so they don't get claustrophobic. And the high power of our unit, the most powerful Open MRI in the area, ensures you get the clearest scans possible from an Open MRI. Ask your doctor about us, or call 860-276-5155. **Open. Powerful. Easy.**
