

Weight loss surgery changes more than your appearance. It changes your life.

If you are severely overweight, you know it. You know you can't do the things you used to. And you know you are putting your health and future in jeopardy. But you may not be aware that The Hospital of Central Connecticut can help.

Our highly skilled and experienced bariatric surgeon, Dr. David Giles, has helped many people improve their appearance and overall health. He can help you, too. **For more information, call Weigh Your Options, our clinical weight loss center, at 866-668-5070.** It's a call that could change your life.
